

## Memorandum of Understanding

### Between Warrington's Own Buses and Satnam Millennium Ltd

### In relation to the strategic development of the Peel Hall site

This is a Memorandum of Understanding between Warrington's Own Buses and Satnam Millennium Ltd in relation to the strategy development of the Peel Hall site, Warrington.

An illustrative parameters plan for the proposed Peel Hall site is contained in **Appendix 1**. The development includes up to 1,200 residential dwellings and a local centre, with access from Mill Lane/Blackbrook Avenue in the east and Poplars Avenue in the south.

From discussion between the parties the following is agreed within this Memorandum of Understanding:

- Warrington's Own Buses intend to divert their existing 25 and 20 routes into the proposed Peel Hall development, subject to funding agreement between the parties. Draft timetables are contained in **Appendix 2** for reference and summarised below.
- It is assumed that the development will be carried out in phases, with service 25 first (i.e. the easterly part of the site from Blackbrook Avenue), followed by service 20 from the south (i.e. the southern and western areas of the site from Poplars Avenue).
- Service 25 is assumed to operate Monday to Saturday every 30 minutes.
- Service 20 is assumed to operate up to every 10 minutes Monday to Friday and every 12-13 minutes on Saturday, with a reduced service on Sundays.
- If for some reason the routes listed above are not operational at the time of the development, Warrington's Own Buses are willing to provide costs for the funding of an entirely new service.
- It is agreed that frequencies of the services set out in **Appendix 2** will be subject to review.

It is agreed that these services will offer Peel Hall residents regular bus connections for Warrington Town Centre, Warrington Central Railway Station and Bus Interchange/Shopping Centre, Birchwood Rail Station and Business Park/Shopping, Warrington Vale Royal & Priestley Colleges as well as the Orford Jubilee Hub and Winwick Road retail parks.

#### Costings

On the basis of the above, the costs will be £106,000 per annum for service 25 and £117,000 per annum for service 20.

On the basis of developer funding, it is agreed that these services would run for a period of 5 years (with a 3 year break clause for Warrington's Own Buses).

The above costings are based on 2019 prices and will be index linked.

Service 21

It is agreed that there is the potential to operate service 21 into the site, which would offer additional services. This will be subject to additional cost, but for the purpose of this Memorandum of Understanding it is expected to be broadly similar to that associated with service 20.

Other Matters

The above is subject to:

- final agreement on mileages, once the site is built and these are known.
- sufficient infrastructure and road widths (suitable to accommodate full size buses).

Warrington's Own Buses enter this Memorandum of Understanding on the basis that it (or its successor) will still be trading at the time the development phases are complete, and that these services remain operational.
